Dining buzz

■ Houlihan's, which recently reopened at 938 North Loop 1604 W., isn't the same restaurant it was when it was at North Star Mall a couple of decades ago. For starters, the chain lets you indulge more healthfully by offering a variety of mini-size menu items, including mini burgers, mini martinis (served in flights of three) and mini desserts. The desserts, priced at \$1.99 each, include a grilled s'mores envelope, chocolate cappuccino cake, triple berry cobbler and snickers crunch ice cream dome.
