Big-Screen Buzz

You've been buzzing about the new *Sex and the City* movie – and that was before you knew about the Skyy Vodka cocktails inspired by the fab four.

The film hits theaters May 30, but you can start getting into the spirit right now at Houlihan's Restaurants. If Skyy Vodka, triple sec and mango nectar sound like your style, try the Carrie cocktail. Skyy vodka, X-Rated Fusion Liqueur, grapefruit and cranberry? So Samantha, of course.

But what's *Sex and the City* without men? Consider a Mr. Big shot: a simple shooter of Skyy Citrus and fresh lemonade.
