

Gluten Sensitive Menu

We offer gluten-free buns as well as modifications to many menu items for guests looking to reduce gluten in their diets. Note that while we offer gluten-free products, we are not a gluten-free environment. Our kitchens do not have a separate prep surface, cook tops or equipment to ensure gluten particles do not come in contact with gluten-sensitive dishes. Chefs prep and cook to order in common areas, and menu items may come in contact with other food products.
